PHOTOS & SPECIAL DETAILS

Optional photos can help us better understand the space before preparing your quote.

6. OPTIONAL PHOTOS - HELP US QUOTE MORE ACCURATELY

Send 5-10 photos of the areas you'd like cleaned

Photos can help us understand the stage of construction, dust level, residue and areas needing detailed work. This helps us estimate a realistic amount of cleaning time, labour and equipment that may be required.

Helpful photos: floors, windows, kitchens, washrooms, millwork, dust/residue, and overall site condition.
